Workshop program

NATIONAL CONVENTION CENTRE | THURSDAY 1 SEPTEMBER 2016 | 10AM - 6PM

FREE EVENT

TIME	WORKSHOP	DESCRIPTION
11:00am - 11.30am	Energy and water rebates for small businesses	Find out how you can join more than 500 businesses in the ACT that are benefiting from reduced energy and water bills. This workshop will draw on case studies and provide plenty of tips to improve your energy and water efficiency. The Program offers rebates of up to \$5000 to eligible businesses.
11.45am - 12.15pm	Implementing an organics collection system in the workplace	Organics are a large component of many businesses' waste. This workshop will highlight the importance of actively engaging your business in the introduction and maintenance of a food organics recovery service.
12.30pm - 1.00pm	Meet the champions - Q&A with Actsmart Business award winners	Get up close and personal with winners of Actsmart Sustainability Awards and hear how they implemented changes to their business or event.
2.00pm - 2.30pm	Online tools for sustainability	This workshop will showcase the free online tools that are available to your business and the community to help you to be more sustainable and save money.
2.45pm - 3.15pm	Solar for businesses	Explore solar options for your business and have your questions answered by experts and business representatives. Hear about: <ul style="list-style-type: none"> • Configuration and installation options • Emerging technologies and trends • Financing options for solar investment • How solar can benefit your business
3.30pm - 4.00pm	Solar battery storage for homes and small businesses	The ACT is leading the world on renewable energy. We're making energy smarter through battery storage, 'the next big thing' in supplying renewable energy. Find out how your business or home can get involved in the largest roll out of batteries in the world (outside of Germany) in this workshop.
4.00pm-6.00pm	Networking	Register your attendance at the networking event to talk to exhibitors, environmental professionals and for your chance to win an iPad. Light refreshments provided.

To register your attendance to one or more of the workshops go to actsmart.act.gov.au and follow the prompts. Pre-registrations close COB 30 August 2016.
